

## YOU CAN MAKE A DIFFERENCE

In the United States, a woman has a one in eight chance of developing breast cancer in her lifetime. That is one out of eight mothers, wives, daughters, sisters, friends, co-workers, community members.

This is why we "Rally for the Cure"...and we will continue to rally until a cure is found! Through Rally for the Cure, we support the mission of the Susan G. Komen for the Cure Foundation - to eradicate breast cancer as a life threatening disease. We hope you will rally with us until the day comes when we will no longer lose those we love to this disease. Together we are making a difference!
